Gimme Shelter: Burstyn Out

Ellen Burstyn is 80, but that hasn't stopped her from scoping out real estate. The Oscar/Tony-winning actress, who's been in everything from "The Exorcist" to Broadway's "Same Time, Next Year," recently visited a two-bedroom, two-bathroom rental apartment at 515 W. 23rd St. that's listed for \$12,000 a month.

The fourth-floor West Chelsea loft is 1,870 square feet and features a library/media area and a chef's kitchen with a wine refrigerator. There's also a "wet room" featuring a Boffi Swim bathtub and floor-to-ceiling glass with operable windows and shades for privacy.

Core listing brokers Susan Rubell and Reba Miller declined to comment.
